

ID	Acronym	Priority	Specific objective
ASP563	AlpLinkBioEco	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP568	SESAM	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP569	Eco-AlpsWater	Priority 3 - Liveable Alpine Space	SO3.2 - Enhance the protection, the conservation and the ecological connectivity of Alpine Space
ASP589	AlpBioEco	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP596	MELINDA	Priority 2 - Low Carbon Alpine Space	SO2.2 - Increase options for low carbon mobility and transport
ASP601	ASTAHG	Priority 4 - Well-Governed Alpine Space	SO4.1 - Increase the application of multilevel and transnational governance in the Alpine Space
ASP608	DuALPlus	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP620	BB-CLEAN	Priority 2 - Low Carbon Alpine Space	SO2.1 - Establish transnationally integrated low carbon policy instruments
ASP623	SmartVillages	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP628	SMART ALTITUDE	Priority 2 - Low Carbon Alpine Space	SO2.1 - Establish transnationally integrated low carbon policy instruments
ASP635	GreenRisk4ALPs	Priority 3 - Liveable Alpine Space	SO3.2 - Enhance the protection, the conservation and the ecological connectivity of Alpine Space
ASP639	trAILs	Priority 3 - Liveable Alpine Space	SO3.1 - Sustainably valorise Alpine Space cultural and natural heritage
ASP644	ATLAS*	Priority 2 - Low Carbon Alpine Space	SO2.1 - Establish transnationally integrated low carbon policy instruments
ASP655	SaMBA	Priority 2 - Low Carbon Alpine Space	SO2.2 - Increase options for low carbon mobility and transport
ASP681	ASIS	Priority 1 - Innovative Alpine Space	SO1.1 - Improve the framework conditions for innovation in the Alpine Space
ASP693	CHEERS	Priority 3 - Liveable Alpine Space	SO3.1 - Sustainably valorise Alpine Space cultural and natural heritage
